FINALLY, A SPARKLING CANNED COCKTAIL THAT ACTUALLY TASTES GOOD.

Lake Hour was co-founded by film producer, Rich Peete and actor, Wyatt Russell. They grew up spending a lot of their youth on and around lakes and wanted to make a drink that reflected something of their feeling of nostalgia towards those times. It feels like everyone has a lake story and they wanted to connect that feeling of lake life with a spiked sparkling water that looks handsome and actually

tastes good. Introducing Lake Hour. Lake Hour comes in four delicious, subtle flavors. Watermelon and Cucumber (made with tequila) and the other three, Rosemary & Yuzu, Peach & Jasmine and Honeysuckle & Ginger (made with Vodka). All flavors of Lake Hour are Gluten Free, made with 100% Real Juices, High Quality Spirits, with only 3.4g of Pure Cane Sugar and 109 Calories. We hope you like em'!
